

## Thomas Mensink

Thomas is CEO of Golden Egg Check. His expertise as a startup and investment analyst is complemented by his connection with Christina Caljé, a respected and esteemed member of the DNNL community. This relationship underscores his engagement within the entrepreneurial ecosystem.

Thomas' role as the host of "At The Money" podcast, where he delves into growth and investment strategies, illustrates his profound understanding of startup dynamics. Additionally, his co-authorship of a startup funding handbook highlights his commitment to aiding entrepreneurs in the venture capital sphere.

His participation in global startup events like Slush 2023 further demonstrates his active role in the international startup and investment scene. Thomas 's upcoming talk is anticipated to provide insightful perspectives on entrepreneurship and business innovation.
